

ANNUAL REPORT 2019-20

This is the Annual Report for the academic year 2019-20. SRV family established a new CBSE co-educational school in the academic year 2018-19, this is our second year . The main objective of the School is to provide Quality Modern Education predominantly to the rural talented children and to promote National Integration.

At present there are 299 (Boys - & Girls) students in the school, from Class Pre KG to std VIII. We admit children from Pre KG to STD VIII for the academic year 2020-21. The school was commenced on the 3rd June 2019 .The school atmosphere is very conducive to nurture and nourish children's intrinsic capabilities

The team of my devoted teachers' work from dawn to dusk balancing their style of teaching which caters to the need of both gifted children as well as slow learners. The students have put their consistent efforts in their studies. As a outcome of such sincere and combined efforts, our school has achieved 100% quality results in all classes.

Infrastructure

There were 30 class rooms, sports room, library, computer lab, science lab, Two AV rooms, and a dining hall, a multipurpose hall and two more labs. 14 new staff members joined during the course of the academic year 2019-20 and we are 26 teachers and 9 part time teachers continuing our dedicated service in our school in this year also.

We had a open day on the 3rd June, 2019. All our directors were present and mentioned the importance of CBSE education and promised to give their 100% service to the local people of Rasipuram. Also they mentioned that the school will collect reasonable fee. Principal explained how the school is functioning and the importance of the parents and teachers relationship for the growth of a child. All parents attended the open day and returned with clear vision.

Co curricular and extracurricular activities

Co curricular and extracurricular activities are integral part of our curriculum and we conducted the following activities for the wholesome development of a child .The activities are Drawing and painting, English Recitation, Tamil Recitation, Hindi recitation Fancy Dress Competition, Best out of waste, Dance, Dramatics,Quz, Rangoli storytelling, Handwriting, Chess, Carom, karate, yoga ,archery , skating and Field trips We have given opportunity for all students to participate in all events . All of them participated in all events and performed their level best. We request all our parents to kindly encourage your ward to participate in all activities to develop their life skills and values. I request all our parents to spend little time with their children to develop their confidence and open-mindedness.

Functions,festivals and important days :

Celebrating events and festivals in schools have become an integral part of learning and building a strong cultural belief in a child. Apart from classroom activities, we also pay heed to other important festivals which must be celebrated in order to understand our country's tradition. Festivals are celebrated irrespective of religion and cast in the country and bringing closed and creating a strong bond of humanity.
